Newsletter Summer 2017

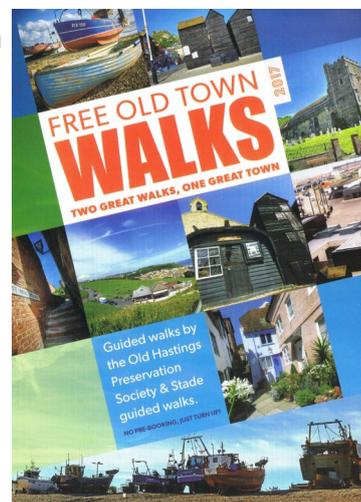

YOUR SOCIETY NEEDS YOU - we need more members on our Council of Management and more volunteers to help at Hastings History House to cover holidays and additional help in Old Town Carnival Week and book sales. You will find a nomination paper for the CoM in this mail out so please complete if you feel you could join the CoM. If you can offer occasional help at the History House please let us know.

I have headed this Summer optimistically, hoping that the sunshine today will last and the temperature rise. However we have a full programme of walks lined up and thanks are due to the volunteers guides who undertake these for us. Thanks also to Erica Barrett and Nona Jackson who organise these. We are grateful to Hastings Borough Council for their support.

Old Town Walks are every Tuesday finishing on 5th September + Sat 9th September and Sat 14th October. All at 2.30pm from the top of the West Hill Lift. The extra walks in Old Town Carnival Week are listed on the events page.

The dates for the **Stade Walks** and are included in the events page of this newsletter.

Old Town Carnival Week

29 July to 6 August

As I write this entries for the programme are coming in. For several years Hastings Printing Company have printed the programmes for us. They have ceased trading so we will be using a new firm this year. Chris from Yellow Duck Design will be producing the finished copy and artwork as usual.

We are grateful to the Old Town Community for supporting the week and their donations to OHPS. Thanks to Harris Woodcock, Ian Porter and Hastings Old Town Carnival Association Committee for their work towards the programme production. Thank you to all the businesses who advertise and take copies of the programme and collecting boxes. Raising funds for local charities.

Date for your Diary

AGM Friday 9th June 7 for 7.30pm

We are delighted our Vice President, Michael Foster, will once again preside for us. After the meeting Andre Palfrey-Martin will tell us about the discoveries he has been making whilst researching the History of the White Rock Theatre or Pavilion as many of us still call it.

The programme illustrated above was one of two recently given to us to copy. There is more on the following page from this interesting collection.
