OHPS Was founded In 1952 to

- ❑ Promote the permanent preservation of buildings of beauty or historic interest and, in particular, such buildings in Hastings and St. Leonards-on-Sea
- ❑ Foster an appreciation of the history of the town of Hastings and to preserve evidence of that history
- ❑ Encourage and undertake recording and research supporting our objectives
- ❑ Encourage good architecture, design and planning in the town by taking an active interest in planning issues

And

- ❑ By opposing inappropriate developments likely to destroy the artistic or historic amenities of the town.

In 1956 the Society founded the Fishermen's Museum to provide an interpretation of this important local industry and to preserve and add to its collection.

In 1967 the Society started Old Town Week, still held annually in August.
