## OHPS Was founded In 1952 to

- ☐ Promote the permanent preservation of buildings of beauty or historic interest and, in particular, such buildings in Hastings and St. Leonards-on-Sea
- ☐ Foster an appreciation of the history of the town of Hastings and to preserve evidence of that history
- ☐ Encourage and undertake recording and research supporting our objectives
- ☐ Encourage good architecture, design and planning in the town by taking an active interest in planning issues

### And

- ☐ By opposing inappropriate developments likely to destroy the artistic or historic amenities of the town.

*In 1956 the Society founded the Fishermen's Museum to provide an interpretation of this important local industry and to preserve and add to its collection.*

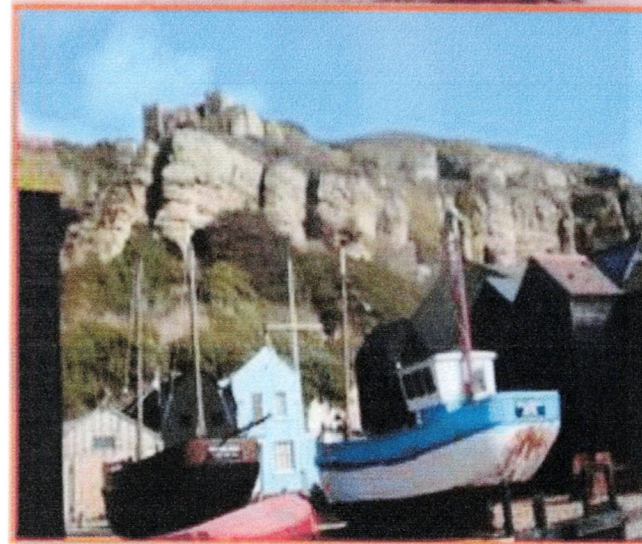

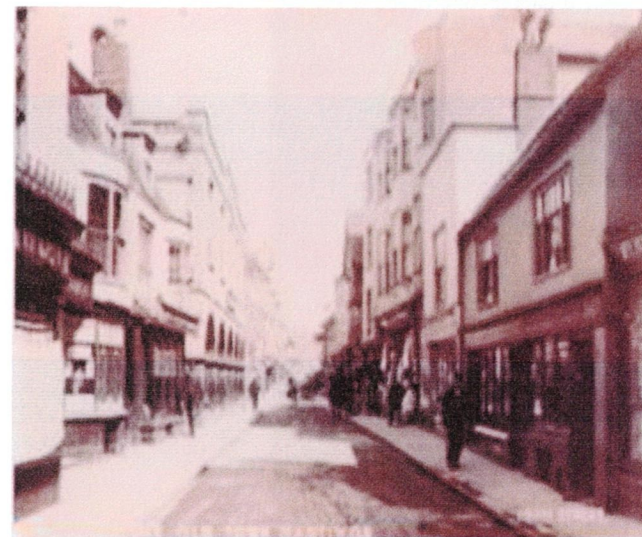

*In 1967 the Society started Old Town Week, still held annually in August.*
